ARTICLE I - LEAVES

1.1 Sick Leave- At the beginning of each school year, each employee shall be credited with ten (10) days of sick leave allowance.

1.2 Sick Leave Bank

1. At the beginning of each school year, each employee shall be credited with ten (10) days of sick leave allowance.
2. Employees employed on a part-time basis or for part of the school year shall receive a prorated portion of the annual sick leave.
3. The unused portion of such allowance shall accumulate from year to year without limit.
4. Sick leave is to be used for absences caused by personal illness or emotional upset by accident or illness, which renders the employee incapable of carrying on his/her teaching duties, including childbearing.
5. Employees shall be allowed to use twelve (12) accumulated sick leave days when such absence is due to illness of a member of the individual's immediate family, which shall include, spouse, mother, father, or employee's own children. Extensions of this leave of up to five (5) additional days shall be made with the employee paying the cost of the substitute. Sick leave beyond the immediate family may be requested for approval by the superintendent.
6. Sick Leave Bank
 1. Each employee of the district covered by this contract may participate in the Sick Leave Bank. To participate, each employee shall contribute on one (1) of his/her earned sick leave days by September 1st. Sick leave days thus contributed shall be deducted from the individual's annual sick leave entitlement. The contributed sick leave days shall form a fund of sick leave days, extending beyond the employees accumulated sick leave, which will be available to all eligible participating employees upon recommendation of the Sick Leave Bank Committee.
 2. Application for use of the Bank shall be submitted to the Sick Leave Committee for their recommendations. The committee shall review the request and determine the eligibility of the employee. If the committee deems necessary, it shall require proof of illness at the time of application and from time to time after a grant has been made.
 3. The committee shall have the authority to establish such guidelines as it deems necessary to implement this program. Guidelines shall have the approval of the association. After complete review of the application, the committee shall have the authority to make final decisions within the guidelines as to the disposition of the case.

4. In order for an employee to be eligible to apply for sick leave benefits from the Sick Leave Bank, the employee must first: (1) Be a contributor to the bank and (2) have been absent from work due to illness or accident for all his/her accumulated sick leave days and 5 additional workdays/35 hours.
5. The Sick Leave Bank Committee shall determine the number of sick leave days each participant must contribute in order to keep the Bank solvent. The Sick Leave Bank will maintain no more than 60 days total at any one time.
6. The maximum number of days that can be granted in any one fiscal year shall not exceed 2 times the number of participatory employees and/or the number of days in the bank. In no case will the granting of leave cause an employee to receive more than his/her annual salary for that year.
7. The number of sick leave days granted shall not exceed the number of days absent from work due to illness or accident.
8. Bank grants to individual employees will not be carried over from one fiscal year to another, and all such grants will end at the termination of the fiscal year. If the employee does not use all of the days granted by the Bank, the unused sick leave days will be returned to the Bank.
9. The Sick Leave Bank Committee shall consist of two (2) Association members appointed by the President, the school district clerk and the superintendent or his/her designee. The Committee shall develop and distribute rules and procedures for orderly administration of the Bank not inconsistent with the terms of this agreement. The Committee shall be responsible for reporting to the district's accounting office the names of contributors and the number of days contributed. It shall report all days granted by the Bank and all other information necessary for the employee's records.

1.3 Personal Leave- Personal leave is granted at the rate of two (2) days, with full pay, per school year. Up to five (5) personal days may be accumulated. Employees who have not accumulated five (5) days personal leave may be granted two (2) additional days, with pay. However, the employee must reimburse the school district for the cost of a substitute. Personal leave may be taken with the following restrictions: a suitable substitute must be available and leave must be approved by the administration five (5) days prior to the requested leave date. Five day notice may be waived in cases of extreme emergencies. Unused personal days above 5 would be reimbursed to the employee at the substitute rate in the employee's July paycheck.

- 1.4 **Bereavement Leave-** Employees shall be granted up to five (5) days, with pay, for each bereavement in the family from the Bereavement Bank of 45 days. Family shall include parents, spouse, grandparents, siblings, parents-in-law, siblings-in-law, and children. Bereavement leaves beyond the family or in excess of 45 days in Bank, shall be requested for approval by the Board chairman. One (1) day leave per year with full pay will be allowed for a Professional Employee to attend a memorial service in the case of the death of a close friend.
- 1.5 **Professional Leave-** The Board recognizes that certain professional meetings, conventions or workshops which contribute to the professional growth of employees and to the improvement of instruction may be mutually advantageous to the individual professional employee and the District. As determined by the Board Chairman, a reasonable number of such absences from regular school duties shall be approved without any salary deduction provided a written request and explanation is filed and approved by the Board at least ten (10) calendar days in advance of the requested absence. When such leave is granted, the employee will be notified in writing.
- 1.6 **Jury Duty-** In the event that district employees are called for jury duty, the employee will receive full pay from the school district. All pay received during regular working hours for jury duty (excluding mileage for travel) will be given to the school district and credited to the appropriate account.
- 1.7 **Extended Leave-** With approval from the Board, employees shall be granted leaves of absence without pay for up to one (1) school year, providing a qualified replacement which can be found by July 1 following the request. Upon return from such leave, the employee shall be guaranteed the same position held prior to the commencement of the leave. All rights of tenure, retirement, accrued sick leave, salary increments and other benefits provided herein shall be preserved and available to the employee upon his/her return to the district.
- 1.8 **Association Leave-** Should the Association send representatives to local, state or national conferences or other business pertinent to Association affairs, these representatives shall be excused without loss of salary providing that the Association, for a total of eleven (11) aggregate days, shall reimburse the district for the cost of the substitute(s). A written notice of leave shall have been submitted to the superintendent five (5) days prior to the leave.

During the term of this contract the district will pay \$ 498.80 per employee per month and \$ 100 per month for employee dependents for insurance. The association and the district agree to explore alternative insurance options and plans to control the rising cost to the employee and the district.
